SUMMER SPRAY PROJECT GUIDELINES
REQUEST FOR ARTIST QUALIFICATIONS

Date Issued: Tuesday, May 17, 2022

Overview

The Short North Alliance is commissioning several artists to design and install a portion of approximately a 1,300 square foot mural wall located in Columbus, Ohio’s Short North Arts District.

Background

The Short North Arts District is the most vibrant spot in the Columbus region. Home to nearly 350 creative art, dining, boutique retail, service providers, and nightlife businesses along with numerous arts and cultural non-profits, the neighborhood is a point of pride for the City of Columbus.

In 2017, the City of Columbus, in collaboration with numerous community groups and stakeholders, produced the Art on High Strategic Plan. The plan not only outlined bold strategic community priorities for public art, but helped define a process for community-driven public art.

In 2020, the Short North Alliance created the first iteration of Summer Spray by engaging 10 artists to help the community achieve its bold goals. Last year, the Short North Alliance created a similar iteration where artists from historically marginalized communities were selected to participate. Summer Spray 2022 will feature a temporary 1,300 square foot mural wall on the highly-visible “cap” located on Goodale St. in the Short North Arts District.

Several artists will be selected to both create a mural and showcase their work in an exhibition space in the Short North Arts District. The mural will be created through an iterative process over multiple weeks, where each artist’s work builds upon the last artist. The project should represent unity and diversity amongst the artists and their creation.

Site Location and Available Dimensions

The site for the mural is located on the cap on Goodale St. between Park St. and High St.

The wall will be approximately 160 ft long and 8 ft tall.

Each artist will have up to 213 square feet of space (26 ft long, 8 ft tall).

Site dimensions are included in Appendix A. Site dimensions are subject to slight change.
**Project Details**

Artist is being commissioned to create up to one 26 ft long, 8 ft tall mural on one assigned weekend from July 16, 2021-September 17, 2022. The mural concept is to be shared with and approved by the Short North Alliance prior to installation and should be responsive to the mural works created by other artists participating in this project.

Artist is also being commissioned to create a personal exhibition of their work at an assigned location in the Short North Artist District during the subsequent weekend of their mural painting between July 23, 2022 and September 24, 2022.

The artist will partner with an assigned local gallery or arts organization to help curate an exhibition. Artists will work with assigned partners to outline goals, curate artist’s works, and design the exhibition space. Each artist is expected to staff (or provide staff) for their exhibition at minimum from 1-4pm on Saturday and Sunday during their assigned weekend. Artists may request to operate their exhibition beyond these hours, including a Friday night opening.

**Project Goals**

The primary goals for this project are to support the implementation of the Short North Arts District’s strategic community priorities for public art:

- **Stimulate Conversation**
  Public art can stand out, engage, and inspire residents and visitors intellectually, aesthetically, emotionally.
- **Tell the Story**
  Public art can embody our community spirit and aspirations by honoring the past and envisioning our future.
- **Speak to Diversity**.
  Public art can speak to the many people and neighborhoods united by High Street.
- **Take Risks**
  Public art can be bold, challenge our understanding of art, and express our ambition.
- **Level Up**
  Public art can represent the highest expression of culture and elevate the profile of our city.

Additionally, each piece of art must follow these basic guidelines:

- Artworks must be the original artwork of the selected artist.
- Artworks cannot include the use of trademarked or copyrighted material.
- Artworks cannot contain nudity.
- Artworks cannot contain profanity or derogatory language.

Finally, this year’s series is presented by The Columbus. Each artist is asked to incorporate the following into their original art piece:

- The colors black and gold They do not have to be the dominant colors, but they should be present.
